EDF Class of 2023

Cassidy Moshansky

Something Dance Taught You: Courage, confidence, commitment, determination

A Word of Advice: Be yourself, create your own moves and poses. Make mistakes, take risks but have fun.

Folashade Ogunboye

Something Dance Taught You: Dance taught me to be fearless and open to trying new things. it taught me different ways to express myself and it became an outlet for me

A Word of Advice: i want younger dancers to know that its ok to not be perfect and mistakes happen. whats most important is that you do your best and have fun

Darcie Pollock

Something Dance Taught You: Dance taught me how to listen to my body, how to ground myself, how to be resilient. Dance, especially during the difficult moments, always found a new lesson to introduce to me. These teachings changed my awareness and allowed me to become more in tune with who I was, both physically and mentally.

A Word of Advice: Always remember that there is still so much you can learn. When you are in a new space, commit yourself. Soak it all in, even if the movement may feel uncomfortable or foreign in your body. If it challenges you, it is worth doing.

Sadie Shykora

Something Dance Taught You: Dance has taught me that hard work always pays off, And that the people you share a studio with are your biggest supporters!

A Word of Advice: Never be afraid of trying something new, as it will leave you with the best memories!

Gwen Van Eden

Something Dance Taught You: Dance taught me the importance of hard work and how to balance being humble but confident.

A Word of Advice: Dance for yourself! Never compare yourself to others and work hard to impress yourself, not teachers, judges or other dancers.

Grads, we watch from the wings as you take on whatever is next for you. We are so proud of you and hope to dance together again in the future. Love, your EDF Family
